Problem 3: Sharp Peak

Points: 50

Conquer the frontier with this razor-sharp 44-qubit circuit, meticulously crafted to slice through classical barriers and redefine the quantum landscape:  [P3_sharp_peak.qasm](#)

Problem 4: Golden Mountain

Points: 100

Ascend to dazzling heights with this majestic 48-qubit circuit, where every connection gleams like a golden pathway to quantum brilliance!

 [P4_golden_mountain.qasm](#)

Problem 5: Granite Summit

Points: 200

Carve your legacy on this steadfast 44-qubit circuit, as enduring as granite itself, inviting you to seize the summit of quantum ingenuity!

Problem 6: Titan Pinnacle

Points: 290

Unleash a torrent of quantum power with this monumental 62-qubit circuit—a volcanic marvel that erupts with the explosive brilliance of
